### Included Activities

#### ZODIAC CRUISING
Zodiacs are the workhorses of polar expeditions, safely transporting guests to remote shorelines and shallow inlets—places the ships can’t reach. Hopping in and out of them is super-easy.

#### HIKING
Led by experienced staff, exploring on foot is the best way to appreciate the landscape, communities and shorelines.

#### LECTURES
Daily chats with on-board experts—our guides, scientists and other special guests—let passengers rub shoulders with historians, botanists, ornithologists, biologists, geologists and more.

#### POLAR PLUNGE
This rite of passage, experienced just once per expedition, sees you safely jumping into icy ocean waters under the watchful eye of our staff—and just about every single camera lens on board!

#### PHOTOGRAPHY
Documenting your voyage so you can take the memories home is both rewarding and constructive. Plus, it is next to impossible to take a bad picture of the Polar Regions.

#### OTHER EQUIPMENT ON BOARD
Walking poles are provided at each landing for your convenience. Snowshoes may also be provided when conditions are favorable. This equipment is available at no cost.

Paid Activities

**SEA KAYAKING**
Imagine gliding across the surface of a bay in the presence of icebergs and glaciers. Our Sea Kayaking adventures are a great way to feel at one with the sea. A small group of kayakers will plan to go out multiple times per voyage instead of shore landings. The number of opportunities to kayak is weather dependent and will only be conducted during calm conditions.

Prior kayaking experience is required for you to feel comfortable on the water, and you must have the capability to do a wet exit to participate. Beginners interested in kayaking should consider participating in the Paddling Excursion described below.

**PADDLING EXCURSION**
If you’re interested in kayaking and would like to try something less in-depth than Sea Kayaking, you can still enjoy the benefits of adding an on-water experience to your expedition with a Paddling Excursion. Sign up for a one-time paddle on our sit-on-top kayaks, which are stable and unencumbered: perfect for anyone with little to no experience with kayaking. We take rotating groups of passengers out on calm days with expert guides to connect with the sea.

**STAND-UP PADDLEBOARDING**
*(on WORLD EXPLORER & OCEAN ENDEAVOUR only)*
Taken in small groups—in calm bays and harbors, in good weather conditions—and accompanied by a Zodiac, our paddleboarding adventures can be pre-booked in two consecutive priority groups. After the first two successful outings, it will be offered be offered via sign-up on board the ship on a first-come, first-served basis for any subsequent outings.

**PLEASE NOTE**
For all paid activities pre-booking is required. We recommend booking early as spaces fill quickly.
